

NAMARA

Double

DE - **ACHTUNG:** Um Beschädigungen des Bettrahmens zu vermeiden, überprüfen Sie bitte vor Beginn der Montage, ob **6 Auflagepunkte** am Bettrahmen vorhanden sind. Jedes handelsübliche Lattenrost benötigt die abgebildeten Auflagepunkte.

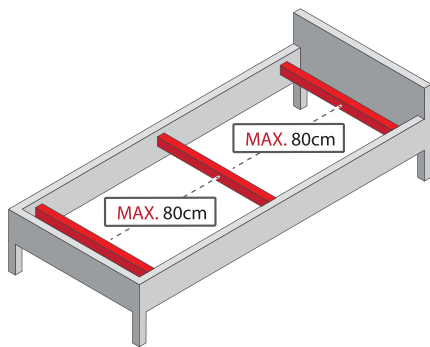

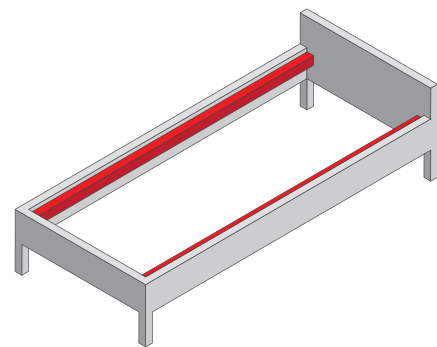

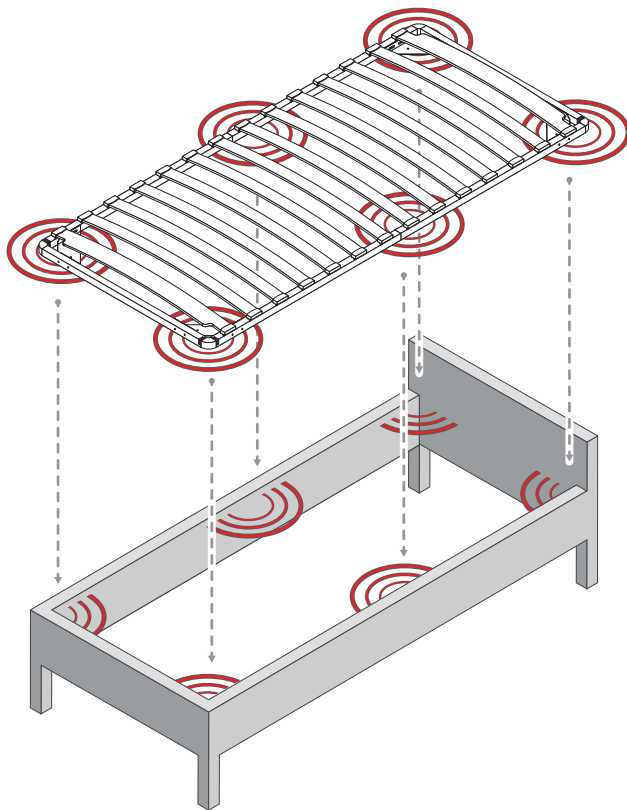

EN - **ATTENTION:** To avoid damage to the slatted bed frame, before starting the installation, please check that you have **6 support points** on the bed frame. All slatted bed frames must have all supports as shown in the picture.

ES - **ATENCIÓN:** Para evitar dañar el marco de la cama, compruebe antes de iniciar el ensamblaje que la estructura de la cama tiene **6 puntos de apoyo**. Cualquier somier estándar requiere los puntos de soporte que aparecen en la imagen.

FR - **ATTENTION:** Pour éviter d'endommager le cadre du lit, veuillez vérifier, avant de commencer le montage, que votre structure de lit dispose bien de **6 points d'appui**. Tout sommier à lattes, nécessite les points d'appui représentés sur l'image.

IT - **ATTENÇÃO:** Per evitare danni all'esterno della camma, prima di iniziare l'installazione, verificare di avere **6 punti di supporto** sulla struttura della camma. Tutti i piani devono avere i punti di supporto necessari per illustrare l'immagine.

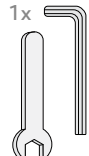

PT - **ATENÇÃO:** Para evitar danos no estrado da cama, antes de iniciar a instalação, verifique se você tem **6 pontos de suporte** na estrutura da cama. Todos os estrados devem ter os pontos de suporte tal como ilustrado na imagem.
